

14 March 2020

Dear Suzuki Families,

Given the recent spread of COVID-19, the Burlington Suzuki Association board has decided to suspend BSA group activities from now until **April 6**. These activities include

- the spaghetti dinner/concert fundraiser (March 29; tickets will be refunded);
- Solo Friday (April 3);
- violin and piano group lessons; and
- Early Start classes.

We will reach out early in April to let you know how we will move forward with group activities.

Private lessons will continue as scheduled. Teachers will clean and disinfect frequently touched surfaces and we encourage everyone to wash their hands often. Of course, should you or your child feel unwell or have travelled outside of Canada, please contact your teacher to cancel your lesson.

Please check our website (<http://www.burlingtonsuzuki.ca>) for updates and all the latest Burlington Suzuki news.

We wish everyone well during this outbreak.

The BSA Board
